

Mud is pollution too!

Help Keep Our Streams Clear.

How can you help?

- ◆ Seed and straw bare soils to promote vegetation.
- ◆ Allow buffer areas (no-mow zones) along streams.
- ◆ Plant trees and shrubs along streams.
- ◆ Report mud draining from construction sites.
- ◆ Check to see if permits are needed before disturbing the ground (grading, tilling, filling).

To report pollution in storm drains or streams, please call 615-880-2420.
